

Made in the USA

Arnold Contract is one of America's most distinguished furniture manufacturers. Since 1962, Arnold Contract has provided clients with masterfully-crafted American-made furniture. We are proud to offer a variety of products, and at the same time our clients enjoy the advantages of working with a small business. Personalized service, flexibility, and customization guide our company mindset. Every element of our work is designed and assembled in our New Jersey factories. We are committed to using sustainably-sourced materials, and local suppliers whenever possible.

Engineered Solutions

Craftsmanship is the top priority in our collection of versatile contract furniture. Product lines include conference tables, reception desks, casegoods, occasional and console tables, library furniture, and courtroom furniture. Hand-crafted, the Arnold Contract signature pieces are offered in wood, laminate, stone, glass, metal, and acrylic. In addition to our signature collection, our project management team is available to engineer a unique solution that meets your needs.

Superior quality, delivered on time, with the care and consideration you would expect from a family-owned company.

1 Concept

During consultation, we create a sketch, which is then translated into a 3D model.

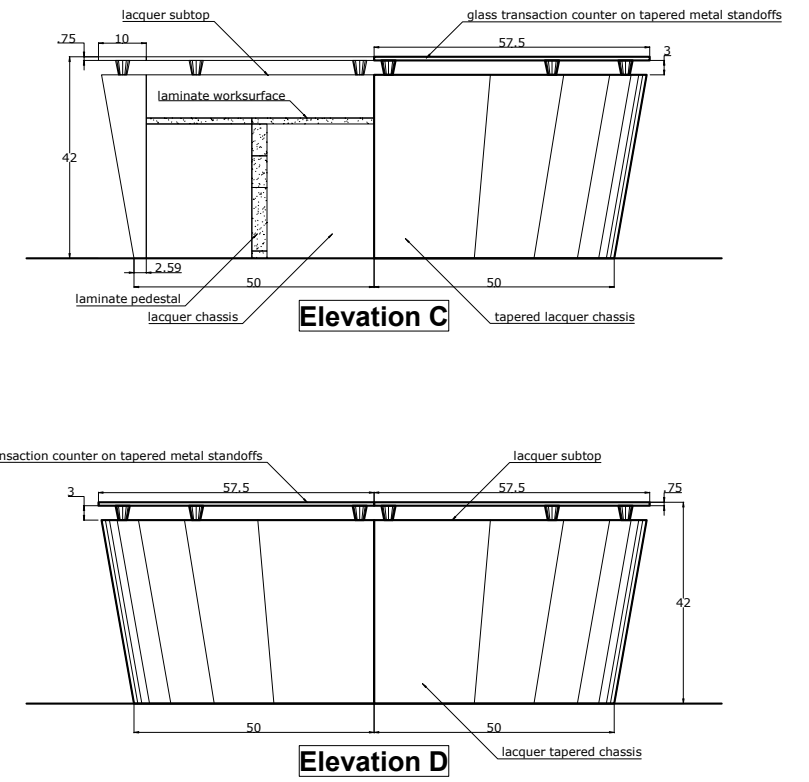

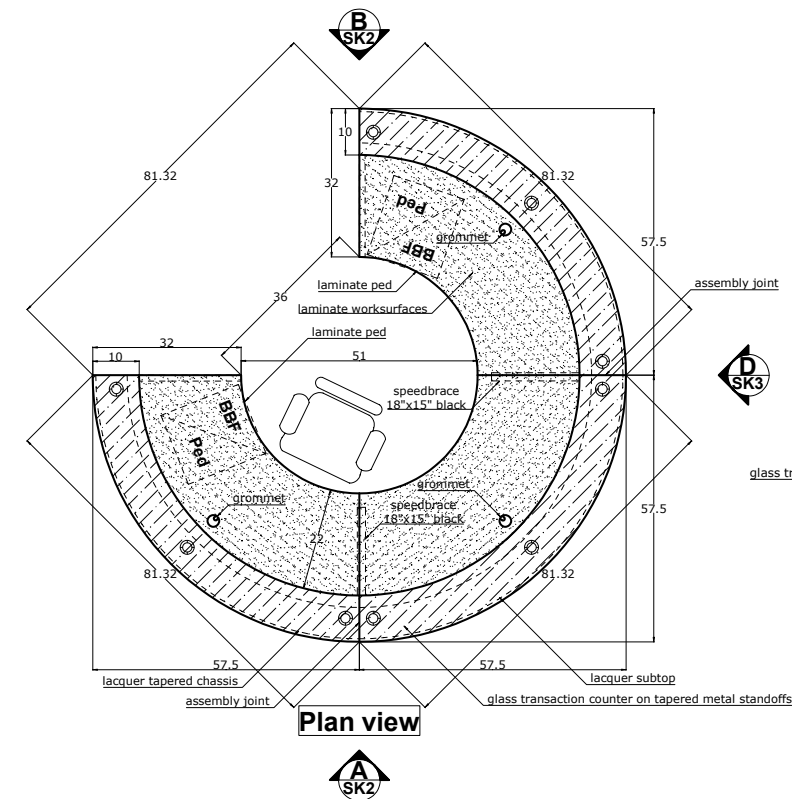

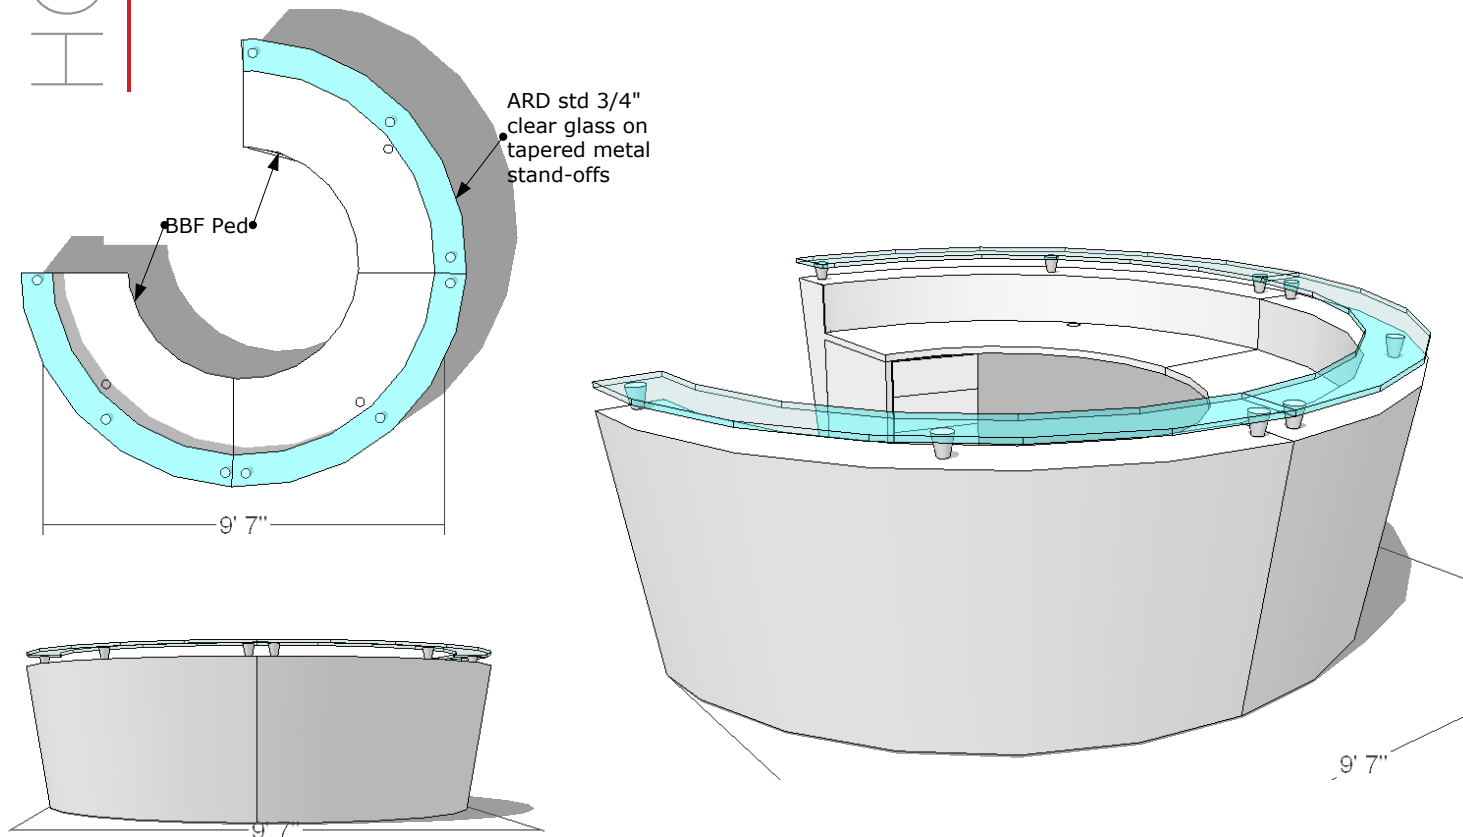

2 Creation

Before production, detailed shop drawings are generated for final verification of all aspects. In production, all parts are cut, assembled, and finished in our NJ factories.

3 Completion

Delivered right to your space, on-time, with attention paid to every last detail.
